## WORK EXPERIENCE

06/04/2017–Present

### Chief Technology Officer

Ozaki, Barcelona (Spain)

- CTO & Cofounder
- iOS developer of the Ozaki platform
- Web developer of the Ozaki platform

05/09/2016–Present

### Computer System Administrator

Delegació d'Alumnes de Telecomunicacions (DAT) - UPC, Barcelona (Spain)

At DAT, I was in charge of the renewal of all the web services we offer (Repository of Exams mainly). Specifically I had to do MySQL database migrations, Drupal to Wordpress plugin adaptation and setting up the new server (including the hardware of the new machine).

03/02/2017–10/06/2017

### iOS App Development: WeTalk

Freelancer, Barcelona (Spain)

10/06/2016–12/09/2016

### Fullstack Web Developer

Club Deportivo Masnou, El Masnou (Spain)

At CD Masnou I was in charge of designing, implementing, testing and maintaining their website and web server, I used the Linux, Apache, MySQL, PHP (LAMP) stack as well as Wordpress for its topmost layer.

04/2015–08/2015

### iOS Developer

Olba Labs, Barcelona (Spain)

At Olba Labs I was in charge of implementing the "Eventoi" iOS application in conjunction with the tech team composed of an Android Developer, Web/Server Developer and me. We used Scrum as agile development technique alongside Git as a version control system.

2015

### iOS App Development: Space Squares

Freelancer, Barcelona (Spain)

2014

### iOS App Development: Surfer Ride

Freelancer, Barcelona (Spain)

01/04/2012–Present

### Web Development

Ciclion, Barcelona (Spain)

I use this server as a nexus between my own learning projects and the Internet

## EDUCATION AND TRAINING

01/09/2014–04/02/2018

### Telecommunications Engineering Degree

EQF level 6

Universitat Politècnica de Catalunya (UPC), Barcelona (Spain)

I am studying last year of the Telecom degree in which I chose the Telematics specialisation which includes cryptography, network engineering and software development.

As for programming languages, I've worked thoroughly with Java(including Android) and used Ruby, C and Python sometimes for a variety of projects.

20/01/2018–30/01/2018

### Introduction to Deep Learning

Universitat Politècnica de Catalunya, Barcelona (Spain)

I took an optional seminar of Deep Learning on my university UPC.

We were introduced to the basics of this technology as well as a practical laboratory in which we used Google Cloud platform to process all the data.

### Linux System Administration

Universitat Politècnica de Catalunya (UPC), Barcelona (Spain)

I took an optional seminar on Linux System Administration at my University UPC.

In this seminar I learnt the basics of this technology and went a little bit further as I assumed the role of SysAdmin on the Delegació d'Alumnes de Telecomunicacions (Student Council) which permitted me go deeper on this matter

### Certificate in iOS Development

Proyecto Universidad-Empresa (PUE), Barcelona (Spain)

I took a 40h course on iOS Development at PUE.

In this course I learnt the basics on iOS Development and obtained the certificate to prove my skills
